Wow where did that mixed up year go to? We would like to welcome you again to our Annual Bull Sale on Monday April 4th. With the Covid issue in our rear-view mirror we really look forward to hosting a full crowd again as we do love to host you!

We are very happy with the bulls we have raised and put before you this season. There are some exciting new sire groups for the many repeat customer we have. There is an excellent selection of more growth bulls and a very large and strong group of bulls bred for their calving ease.

The bulls are responsibly fed throughout their life, being raised on grass on their mother (no creep) until they are weaned in late September. We then set up a ration for a 3lb a day gain based on the average weight of the bulls in the pen. We feel this gives the bulls a very good chance to express their own individual potential but in no way hurts their longevity in the breeding field.

We have been in this business a long time in fact over 75 years within the family with 4 generations. This year the Canadian Angus Association will make a presentation to our family for 75 years or more of continuous registration in the Associations herd book. This is a feat only a small handful have been able to accomplish, we are honored to be one of those families and congratulations to all the others that have done it.

We would love to offer you some celebratory cake on Monday the 4th of April along with some more Eastondale hospitality.

If you cannot make it sale day, we again have the option to bid and buy online with the great people of Livestock Media Plus. It isn't that hard to register and the crew there is more than willing to set you up. We also have a great sales staff who know the bulls very well and can help you with information on the bulls.

We also would welcome you to visit before sale day so we can give you the one-on-one service to help you get the bull you need for the years ahead.

Thanks for reading our catalog and information. We congratulate you for your perseverance in the cow business as we do believe the good times are on the near horizon. We really hope we can see you in person from now until sale day and look forward to the visit when we hopefully deliver your new purchase!

Yours Sincerely,

*Dale, Shelly & Erika*

*Nolan Glover*

P.S. All the bulls are Leptin tested and that information is available upon request.

# CRM A WORD FROM CASTLEROCK

75 years years of breeding Angus cattle for the Easton family, this is no small feat that has been achieved. If you think about over the years the businesses that have come and gone and how the landscape in the Prairies carries a different look to it in the blink of an eye. Not many companies or outfits have stayed the course but those that have all share one thing in common.....integrity and good business practices. For you as a buyer it brings great comfort to know that when you're doing business at Eastondale it is with a family run operation that has it's roots firmly planted in the community. Staying the course is important in the stability of an operation and keeping focus on what the end goal is. The end goal is at Eastondale to raise good Angus cattle that do their jobs well and there is nothing that will light Dales eyes up more then to see a good set of females doing a solid job on their calves. The parallel between honest cows

and an honest living couldn't be any more apparent then right here, not much to really ask for. The bull pen again is a strong set carrying some fresh pedigrees but with a proven track record from cow families that are proven producers. The consistency of this breeding program that is backed by a strong repeat customer base speaks volumes.

We encourage you to take the time to stop in ahead of time to see the bulls and what the cow herd is all about, it's well worth the time. Videos will be online mid March for your viewing pleasure. Should you have any questions feel welcome to reach out to the folks at Eastondale. 2022 marks 20 years working with the Easton family and consequently we know the herd very well. Look forward to hearing from you!

See you sale day!

*Shane Castle*

# THIS ALL ADDS UP TO CUSTOMER PROFITABILITY

## TERMS & CONDITIONS

**Terms:** The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance to the sale with the owner or Sales Manager.

**Bidding:** Each animal is to be sold to the highest bidder. No by-bidding will be permitted. A reasonable price base may be set.

**Disputes:** In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final.

**Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**Announcements:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

**Certificate of Registry:** Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers for each animal after settlement has been made.

**Breeders Guarantee, Bulls:** Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**In no event shall the seller be responsible for more than the purchase price.**

The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

**Exception guarantee:** In cases where the animal was subjected to hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Settlement:** Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of the replacement animal, the Sale Management will appoint a mediator.

**Accidents:** Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer, or sellers assume any

responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

**Mail or Telephone Bids:** Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale.

**Rights and Obligations:** The above terms and conditions of the sale shall continue a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction which is not covered by the terms and conditions of this sale.

## Lot 3

- Another Coalition 206C flush brother
- This bull is back of his two brothers as his recipient dam was not what she needed to be
- He has the same style and stamp just in a smaller lighter package
- I wouldn't be scared to use this bull on larger framed heifers as he is small headed and very smooth shouldered

Granddam of Lots 1-5

Sire of Lots 2,3, 4

#### Lot 4

- The third flush brother of the Coalition ET sons

- This is an outstanding temptation son with an abundance of muscle in him
- 93'21 was very close to making it into our pen of 3 bulls for Agribition
- I love his mother, she looks twelve o'clock every day of her life
- She has already sold three other sons through past bull sale to Swenco Angus, Bob Brickley and Ferch Farms
- I highly recommend you taking a second or third look at the bull

### Lot 38

- Another stylish Endurance heifer bull
- The Endurance sons were very popular last year with 5 sons averaging just short of \$8000
- Endurance stamps everything with style and eye appeal
- They all have lots of hair and a very good foot

## Lot 39

- This Rito sire group are peas in a pod
- He definitely is not the biggest framed bull but he may be the most complete bull in the pen
- Very maternally bred if you are retaining your own females
- These Rito sons need to be on your short list of bulls
